Tenth Public Sale of
RARE COINS

To be Sold by Mail Auction
To the Highest Bidder Without Reserve
Saturday, January 31, 1925, by
M. H. BOLENDER
Box 34, Orangeville, Illinois

TO COLLECTORS—I take pleasure in offering in this sale some very nice numismatic material. In my classification of coins I keep in mind the amateur collector and beginner collector of small means, so that desirable specimens may be secured by them as well as by the advanced collector. In describing the condition of coins I believe in keeping the standards high, and shall deem it a favor if you will return at my expense anything which does not appear as described.

TERMS—Cash within thirty days of date of sale.

Unless otherwise stated lots are sold by the piece. If there are 12 pieces in the lot, and you wish to pay $12 for the entire lot, then bid $1.00. PLEASE BID BY THE PIECE.

I charge no commission for executing your bids but postage and insurance are to be paid by the purchaser.

Coins will be bought as much below your bids as possible as this is bona fide competitive bidding.

CORRECTION—My sale list of January 2 should have read NINTH Public sale. My fifth sale was held in July. This is my TENTH sale.
